petrochemical complex. It was a short plant that sprouted up half a meter, then extruded two stalks parallel to the ground. At the end of each stalk was a perfect globe, one gray, one blue. The blue one was much larger than the gray one..But when he said it, it sounded false. It wasn't fan*..In Defense of Criticism.Needed to understand the verse is merely the fact that, genetically, the distinction between human male and female is that every male cell has an X and a Y chromosome and that every female cell has two X chromosomes, t Therefore, if, at the moment of conception or shortly thereafter, a Y chromosome can somehow be changed to an X chromosome, a male will ipso facto be changed into a female..out for you. I know a little history, myself."..phone number, and said to get hi touch in January for his endorsement."Though, truly," said Amos, glancing at the ceiling, "I had a friend once named Billy Belay, an old.Crawford waited until she had run through a long list of reasons why they were doomed. Most of them made a great deal of sense. When she was through, he spoke softly..can't happen over and over, so that three or four or any number of organisms might not develop from the original fertilized egg. As a matter of practical fact, however, a mother's womb can only hold so much, and if there are multiple organisms developing, each is sure to be smaller than a single organism. The more organisms that develop, the smaller each one and, in the end, they will be too small to survive after delivery.."Then what must I do to make this stubborn animal let me by? Some of the guys were already buying their booze on the cuff, and everybody had glum looks on their faces. I wasn't particularly surprised when the argument between the bricklayer and the brickmaker resumed where it had left off. This time, nobody broke it up..Samuel R. Delany for "Prismatica"."Right here on the mountain?" I say..When the blowout started, Lang had snapped on her helmet quickly. Then she had struggled against the blizzard and the undulating dome bottom, heading for the roofless framework where the other members of the expedition were sleeping. The blowout was over in ten seconds, and she then had the problem of coping with, the collapsing roof, which promptly buried her in folds of clear plastic. It was far too much like one of those nightmares of running knee-deep in quicksand. She had to fight for every meter, but she made it..and the ship is gone. He turns back again until he finds it standing out under light canvas past Sandy.with.helplessly. "I guess there's not much sense picketing any more.."Tm not disturbing you, am I? I heard the typewriter." The room was indeed identical to mine, though it looked a hundred per cent more livable. I couldn't put my finger on what he had done to it to make it that way. Maybe it was just the senudarkness. He had the curtains tightly closed and one lamp lit beside the typewriter.."Like what?".motors to provide more living space, and only Crawford saw what it was costing her. They drained the.Such specialized development begins in the earliest embryo, as some cells come into being on the outside of the embryo, some on the inside; some with more of the original yolk, some with less; some with first chance at absorbing nutrients from the maternal bloodstream, some with only a later chance. The details are clearly of the greatest importance to human biology, and biologists just don't yet know them..looked, a section of the webbing was pulled open and a rush of warm air almost blew them over. He was wearing a maroon turtleneck with a big N."Nay, I must stay.."adult found he had a limping heart or fading pancreas or whatever, or if a leg had been lost in an accident."Oh, ultimate depression!" shrieked the thin grey man, and stepped back again, for the dress beneath the veil was silver with trimmings of gold, and her bodice was blue silk set with pearls.."But I can never express it. Everything I say seems to make more sense than what I can feel inside of."I meant, would you like some now, with me? I've got a six-pack."..He nodded. "First time

tonight. In fact, this is my first time ever in any speakeasy. I just got my license yesterday." the bright image races toward you, trees hurling themselves into red darkness and vanishing, then the. Bat there are other reasons. Critical judgments are so complex (and take place in such a complicated context), the vocabulary of praise and blame available in English is so vague, so fluid, and so constantly shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments that will be both precise and compact. If vivid be added thereunto, fine? what else is good style? Hence critics, whenever possible, express their judgments in figurative language. Wit is a form of condensation (see Freud if you think this is my arbitrary fiat) just as parody is a form of criticism (see Dwight McDonald's Modern Library collection thereof).. And what about cloned human beings, which is, after all, the subject matter of "RandalP's Song"? It was unsigned and the writing was more careful than I would have expected of Selene, but I could. works out that way." The cause of this high morale rests with one programmer in our department, Morris Hazeldorf, the. "Good," said Amos. "Oh, but one more thing. You say it is windy there. I shall need a good supply of rope, then, and perhaps you can spare a man to go with me. A rope is not much good if there is a person only on one end. If I have someone with me, I can hold him if he blows off and he can do the same for me." Amos turned to the sailors. "What about that man there? He has a rope and is well muffled against the wind." "I have been Miss Georgia six nights a week for the last four years, with matinees on Sunday and jogging, not running. She saw me about the same moment. She spun around as though to run away, then. "You've heard of the long-period Martian seasonal theories? Well, part of it is more than a theory.. 77. impulse to make any further contributions of his own and sat back and did his level best to be a good. word had to be weighed on a scale before it was put into the sentence. You can replenish your energy reserve by returning to a friendly base. You can hop sectors using. James Blish having already adequately done so, calling him (in his heroic phase) "the Thane of. She leaned forward and touched the wound with her hand. Tears started in her eyes. "Oh, my dear. And who should I meet coming out of the door but Admiral Venerate. Venerate and I are old buddies.. stood there, his eyes vacant, trembling. I saw people sticking their heads out of doors and Johnny. 204. Amos himself was well aware how long he would have hesitated had the question been asked of him. As the seconds passed, he began to fear for Jack's life, and wished he had had a chance to figure some other way to get the mirror out One minute passed; perhaps they could have tricked the girl into bringing it up herself. Two minutes; they could have tied a string to the leg of a frog and sent him down to do the searching. Three minutes; there was not a bubble on the water, and Amos surprised himself by deciding the only thing to do was to jump in and at least try to save the prince. But there was a splash of water at his feet. The production model was ready for shipping hi September. It was a simplified version of the. his life. But first I must make sure my nearest and dearest friend can see too." He went to the large black. There was a weary sadness in his eyes. Smith does not run through the scene again to watch the child and her mother drown, but others do.. "Doesn't matter," I say.. the New Year. If you're not in a desperate hurry . . . ". David (or Murray) was about twenty-five, redheaded, and freckled. He had a slim, muscular body which was also freckled. I could tell because he was wearing only a pair of jeans, cut off very short, and split up the sides to the waistband. He was barefooted and had a smudge of green paint on his nose. He had an open, friendly face and gave me a neutral smile-for-a-stranger. "Yes?" he asked.. mottle of yellow and orange.. Jane Yolen's classic fantasy tales have been appearing in F&SF since 1976. She is the author. It's gonna be a hell of a concert.
